

Chalet Epena

Chalet Epena is a great example of an Alpine chalet with plenty of character. Excellent for groups, Chalet Epena is a very sociable chalet, with dinners around the huge dining table, after dinner drinks on the enormous terrace, then heading out to see what Meribel has to offer.

Ideal for guests who love to get the most out of their time, Chalet Epena's brilliant location means you don't have to miss out on a single moment. Head into town to check out the latest kit from North Face, have a quick hot chocolate at Barometer and stock up on sweets and saucisson at the weekly market, all in time for dinner.

Sleeps 10. Ideal for a large group of friends or two families.
