The whole experience was amazing, all the staff were so nice and welcoming and were always up for a nice chat if we wanted! The three course meal for dinner every night was always a delight, and was very flexible if there were any requirements or things we disliked etc. The chalet was always very clean and tidy and very nice to relax in after a long day skiing! All of the staff were so nice and were very welcoming and always gave us helpful information about skiing, or the local area, or just some helpful tips. The chalet chef Grace was very nice and made the most fantastic meals! The manager Hattie was very welcoming and made sure we were very well catered for, and was always willing to participate in a chat or a game! The other host Tom was always an helping hand so overall it was an amazing stay.

Valerie O'Brien - April, 2025

The chalet was a great size and location for our family. We enjoyed the hot tub after a big day skiing. Host Olivia was incredible and went to so much effort to make our stay so enjoyable. The taste and presentation of the food was amazing and such a treat to be spoilt with beautiful food each day. She is a great chef! She had lots of local knowledge about the best ski runs and places to go and explore. A very special week with the family. Thank you!

Jo Moore - March, 2025

We had a fantastic stay at Chalet Victoire in Méribel Village. From the moment we arrived, we were warmly welcomed and well looked after. A special thanks to Finn, who was a wonderful chef and host at the start of the week – incredibly helpful, full of great tips, and served up some truly delicious food. His scrambled eggs were a highlight, and he nailed the kids' meals too! And also to Gemma for stepping in - the meals remained delicious and to a great standard. Huge shout out to Jacob, who was an exceptional chalet host – friendly, knowledgeable, and always on hand with great local insights and advice. He really helped make our stay smooth and enjoyable. And a big thanks as well to Eloise for being a reliable point of contact – both she and Jacob were always ready to jump in and help resolve any issues or questions we had. Would absolutely recommend and hope to return!

Ed Grice - March, 2025

Our host, Gemma, was fantastic. Her friendly demeanour made our holiday, along with her hosting skills. The food she cooked was excellent along with the presentation. Gemma also has great knowledge of Meribel and was able to give us great recommendations for bars and places to visit. Our chalet manager, Hattie, was a great manager. Her time popping in to visit us and check everything was ok was really appreciated. Hattie is great at getting to know her guests and it really added to our trip. Hattie was always contactable even when she wasn't very well at the start of our trip.

Hattie sets the standard for the resort manager (again). She spends time with the guests and is so helpful organising things. She has raised the bar! Caira and Seb were delightful and really looked after the place and made us so welcome. Caira's cooking was really good. Seb was very helpful getting us around and was always on time.

Matthew Lester - March, 2025

This was our second trip using Ski Basics and we absolutely loved it. The team were brilliant, food and wine were delicious and we're already talking about when we can return. Thank you for everything!

Saskia Wood - March, 2025

We had another amazing experience with Ski Basics this year after our first visit in 2022! Chalet Blanchot was immaculately maintained and the perfect size for our group of 12 adults. Liv and Clare were amazing hosts and cooked the most delicious food, while catering to all of our different dietary requirements. Our chalet manager Jamie was also super helpful with getting all of our bookings and ski passes/hire sorted, and it was great being able to message him any time of day and get a response back straight away. Thanks so much again to all of the Ski Basics team, we will definitely be back!

Lilly Hipple Walsh - March, 2025

Ellie was brilliant throughout the stay and we couldn't have asked for a better time. The food was delicious and she was really friendly, and attentive. The chalet was very cosy, and neat and tidy the whole holiday. We also appreciated the vegetarian option for one of our party.

Connor Whyley - March, 2025

We had a wonderful stay this week. It's our second time and the Ski Basics staff could not be more helpful! All extremely friendly and felt so well looked after by the chalet hosts, Hattie and the drivers. Special thank you to Ollie and Alice - so friendly, great cooking and hosting! Hattie was also so so helpful, checking in on us regularly and always very responsive. Thank you! Can't wait for the next stay.

Daisy Pelling - March, 2025

Genuinely the best ski holiday we've ever been on. Fabulous hosts, fabulous food, fabulous facilities. Finn an Irish dream.

Rob and Sally Archbold-Russell - March, 2025

I cannot speak highly enough of the Ski Basics team and the service they have provided, from before booking right to our lovely breakfast and send off on our last day. Chalet Bouquetin exceeded our expectations and we would definitely stay there again with a big group. Great value compared to similar chalets in Meribel.

Having never been in a catered chalet, Ski Basics exceeded my expectations. Really lovely team who were super helpful before and during our stay, catering fantastically for me as a Coeliac. Thank you very much for making our stay special!

An amazing experience! Very good value for money. Also very lucky to have booked the Chalet when we did as it was sold out! Would happily book with Ski Basics again. Cooks were great, all the hosts were helpful. Our manager was extremely helpful as well, booking restaurants for us, getting our ski passes and offering great tips. Thanks again. Sam.

George's cooking was incredible. What a talented cook. He worked so hard from the moment he arrived until he left and always with a smile on his face. He was very helpful and knowledgeable about the local area and facilities too. Molly was a wonderful host. So friendly and chatty and very attentive. They both made our holiday perfect and we can't wait to come back again. Thank you team Ski Basics x

Lindsay Brown - April, 2024

There's a reasons we've used you about 10 times. I think for all-round service and value for money there's no better company! Izzy was a great host and did all she could to make sure my 3 year old son was well catered for.

Thank you very much for a lovely week. Great service, kind and accommodating staff, warm and welcoming and couldn't do enough for us.

Matt Winchester - March, 2024

The staff couldn't have been more helpful and the chalet was really lovely. The free shuttle service was a great help! We were so impressed by the food, and the extra touch of an Easter egg hunt for the kids was brilliant – thank you Ski Basics!

Lucy Blake - March, 2024

We spent a great week of holiday at the chalet Victoire. The staff was very good. The efficient Eloise, the fantastic chef de cuisine George, the attentive James and the friendly Grace did everything to make our stay unforgettable. So it was a week of admirable gastronomy (congratulations to George), great hosting and great skiing. Thank you to the Ski Basics organization.

Marta Rossini - March, 2024

This was our fifth year in Chalet Bouquetin (and sixth with Ski Basics). Great chalet for large family/friend groups with friendly, flexible staff and good standards of food & wine. Access to/from the main ski centre is easy with the flexible transport service. No hesitation in recommending and already booked for next year!

Chris Green - March, 2024

The cleaning and tidying of the rooms was incredible! Molly and Martha tidied everything with such care and the little touches were so appreciated. Food was incredible, it would be lovely to have on the blackboard what is going to be for dinner for the next night just to be able to look forward to it even more :) Everywhere was left so clean and tidy everyday which was so lovely whilst on holiday.

Megan Renouf - February, 2024

I could not recommend Ski Basics more, we have had the most amazing week and it has been completely down to the Ski Basics team. The booking process could not have been easier and the whole experience has been incredible. Special mention to George and James our chalet hosts, George's food has been nothing short of sublime and James' knowledge of the slopes and friendliness has really made our week, it felt like having two extra mates with us. See you next year!

Rebecca Meekcom - January, 2024

Lovely chalet in a great location in Meribel, we were a group of 12 and there was plenty of space for us all to enjoy evening meals and afternoon tea after a day on the slopes! The service from our Chalet hosts was wonderful, Liv and Lucy made our stay so enjoyable and were great fun, as well as being very professional. All the drivers were also very accommodating, we couldn't recommend the team more they were awesome.

Holly Jones - January, 2024

This has been our first catered ski holiday and we couldn't have asked for a better week. Molly and Martha have looked after us so well in our chalet and every single member of the Ski Basics team that we've met has been a credit to you. The extra touches have been much appreciated and we wouldn't hesitate in booking again for next year. A very big thank you!

Cara Whitehouse - January, 2024

This week has been unlike anything else I've experienced and Ski Basics have been the reason for why it was so special. London and Martha were absolute delights and have been such a joy. Their attentiveness, charm, jolliness and unending support/hospitality has been unparalleled! Jamie has been great all week too - helping mostly with the tub (thank you for that!!) and just been on hand whenever we need him. Also huge shout out to Nico and James, driving us around and being all-round amazing, entertaining and patient/accommodating for our antics. Big love to Ski Basics - you are all very special people and we're all superstars!!!

A wonderful holiday made even more memorable by the fantastic hosts George and James. Thank you for the laughs! Our food was delicious and beautifully presented, with the drinks kept flowing. Eloise was kind enough to book our restaurants as well on our hosts nights off. The chalet was warm, comfortable and cozy, especially with the fire lit at night. From booking the holiday to the last day, dealing with Ski Basics has been a pleasure. Highly recommended for a hassle free and memorable experience!

Taryn McGowan - January, 2024

Surpassed expectations - perfect from start to finish. Izzy particularly made the trip and all the drivers were fantastic. All of the Ski Basics team have been good fun, polite and friendly - exactly what you want for a holiday like this. It makes me want to do a season! Really impressed and will be recommending Ski Basics to others.

Matthew Ward - December, 2023

Ski Basics is the best ski chalet company in the world. This is our second holiday with you and we don't want to ever go with anyone else again. We cannot thank you enough for the best ski holiday ever. Our wonderful chalet hosts and chalet manager made sure every detail was perfect: from getting me exactly the kind of tea I like to arranging skidooing for us and even making us our favourite food. The calibre of George's cuisine is outstanding and James's hospitality was always so thoughtful. They made us feel so welcome. We just want to take them home with us. Please...?

Thank you for an absolutely fabulous week we had a great time. Our hosts Cameron and Millie were wonderful company and great chefs/cooks! Tilly was really helpful booking restaurants and transfers for us and the drivers were always a good laugh. We will be booking 2024 ASAP!

Lilli Wright - April, 2023

Thank you Ski Basics for making this family reunion/ski holiday unforgettable. We had a great, great, time. Claudia our host will be missed, her cooking was 5 star, we really got spoiled. The Ski Basics drivers always met us with a big smile, flexible and incredibly service minded. All in all reflects on how well Ski Basics is managed. Thank you to all of you from Henrik, Adelyn, Emil, Oscar, Peter and Christian.

Henrik Anderson - April, 2023

Amazing holiday and the staff were all excellent, would highly recommend to friends.

Stanton Borthwick - April, 2023

We had the most fantastic holiday. The chalet was exactly what we needed. Miri and Harvey were excellent and the standard of the food and wine was brilliant. The entire Ski Basics team, from booking with Cheryl to our chalet host and chef, drivers and manager were all incredible, I've never experienced such a professional and friendly team. We would love to book again!

Saskia Schade - March, 2023

Loved the experience from the moment we booked it! Your website/resources familiarised us with Meribel before we even arrived, the chalet was fantastic and the wonderful staff went above and beyond. Thank you so much for a brilliant trip!

Emma Smyth - March, 2023

We have been on many catered ski chalet holidays but only one post Covid/Brexit. This was a great chalet holiday and I would like to point out a few bits - all of the team worked seamlessly and it was amazing - everyone was so pleasant to all clients and so helpful - our broken tap was replaced within the hour - a good example of responsiveness - Katy/ Fintan/ Harvey we're superb - wonderful 7 day service even when chalet host was off. The drivers were all great. I'm not sure I would risk going with any other company in the future.... Ski Basics was great....and I must praise Cheryl whose handling of our Covid cancellations lead us to this week's holiday.

Katie our host couldn't have have offered us any greater service. Katie was a great host, she is extremely friendly and knowledgeable which made our stay seamless. Pheobe's support was also exceptional, it is nice to have a personal touch about the service we received.

Michael Strom - March, 2023

We had a fantastic stay with Ski Basics and thoroughly recommend them to anyone looking for a catered chalet ski holiday. The chalet, food, and service was fantastic. Miri, Jess, Phoebe, and the team looked after us really well and made sure we had a great holiday.

Ben Rollinson - March, 2023

Emily, Hannah, Tom, Kaelan, and Fintan did everything they could to make our holiday exceptional. The whole team went above and beyond so thank you! The food and hosts were amazing - would recommend and stay again!

Aoife McCarthy - March, 2023

I want to say a massive thank you to the amazing team at Ski Basics. Special shout out to Ben. He was incredible. We had the best holiday. Couldn't have asked for anything more!

Emma Dowle - March, 2023

All of the Ski Basics staff were fantastic. Katie and Phoebe were particularly helpful and friendly. Being able to WhatsApp Phoebe was particularly useful and something I have not had on a ski holiday before. Getting a private van to the lifts in the morning and after skiing worked really well. The wine was notably better than I have experienced on other catered ski holidays and having a choice was really nice. Overall I was super impressed with Ski Basics, particularly in comparison with other catered ski companies I've been with in the past.

Josh Rumbol - February, 2023

Lovely chalet with great hosts. Millie is an excellent chef and the meals were very good. Fabulous location and will definitely be booking with you again. Local knowledge was also excellent. Kelan and Millie couldn't have been more helpful.

Deanna Hyndley - February, 2023

Another great holiday with Ski Basics. Cheryl, at point of booking, was excellent to deal with. Wonderful to have good towels and bathrobes available. Breakfast delivery was great as was the food and wine left in the fridge for our arrival. Phoebe was really helpful and any other Ski Basics staff we came across were all really friendly and helpful.

First chalet holiday. Wow! That was amazing. Thank you so much for a truly superb holiday. What a super team. Emily has a real talent for cooking. Apparently I am now spoilt forever on the tartiflette front. A work of art. Honestly these guys couldn't do enough to make us all so welcome. Chalet was so well appointed. Couldn't fault it. 5 stars!

Mark Wallace - April, 2022

Katie and Charlie were AMAZING chalet hosts and really made sure everything on our trip ran seamlessly. We've had a wonderful time thanks to their hospitality and couldn't have asked for more attentive and fun hosts!

Lily Hipple Walsh - April, 2022

I think this year was my 15th year holidaying with Ski Basics. Every year has been great but this year was outstanding. My husband and I hosted a group of friends in a house party to start the celebrations for my husbands 70th year. Twelve adults, mostly OAP's, can be demanding but the chalet team had it all under control and we couldn't have been looked after better by Greta, Bill and Ugne. Nothing was too much trouble, they were always helpful, engaging and great fun. Bill's skills in the kitchen were tested with one of our groups multiple dietary requirements but it didn't phase him at all and all the food produced was excellent, one of the highlights of the holiday. This holiday with you exceeded my expectations and, after so many great holidays with Ski Basics they were pretty high!

Katie Munnoch - March, 2022

All staff were lovely and helpful, from booking and then throughout the stay Amelia our host was a little star and looked after us so well. She was polite, professional and lovely throughout. Five stars from all of us from Newcastle.

Vanessa Laing - March, 2022

We had a fantastic week in Brenettes with excellent service and company from Michelle and Mathew - just like all "the Ski Basics years" before. Best regards, Peter.

Peter Rosalund Friis - March, 2022

We have just spent the most fabulous week in Chalet Victoire. Miri and Zac worked tirelessly to make sure all our needs were met. They are fabulous ambassadors for Ski Basics, always ready to help but very discreet. They both exceeded our expectations of a chalet holiday, providing exemplary service, with lots of fun thrown in! We have had a great week, amazing food and great hosting. All in all we couldn't have had a better time. Many, many thanks to them both.

Katie Boitouit - March, 2022

Chalet hosts were outstanding - really welcoming, excellent food, service & everything. Contributed to a really memorable holiday - thank you.

Guest testimonials | 2021/22 (continued)

Always a pleasure to return with Ski Basics. James has been an excellent lead in prepping staff, accommodating requests and is generally a great friendly personality. Matt especially has gone above and beyond this week. He's been prepared without being asked to meet the needs of every guest, has been interesting and great company, and seemed to genuinely value our time. Michelle has been an incredible cook, and a brilliant host keeping everything ready, clean and tidy before we ever realised there was any mess. All the Ski Basic staff doing transfers have been great friendly chatters, and the only blip was the wait Friday morning for the lift to the slopes, and it was immediately apologised for and not even a proper concern. Thanks for a lovely week!

Simon Roys - March, 2022

One of the best week's holiday's we've had. A really huge thank you to James, Bill, Gretta, Sandra, Finton, Dionne - all of whom were excellent in every way. Bill's cooking was outstanding and all levels of service (and general friendly manner) was first class. James in particular went out of his way to make sure that everything and everyone were right on their game. Really outstanding level of service and high standards. Thank you. Collectively we all thought this was one of the best experiences we've ever had, so can't ask for more than that. We will be recommending the chalet, the team, and Ski Basics in general to all friends and family. Congratulations you guys – outstanding!

Paul Clarke - February, 2022

Miri and Zack were both very nice and friendly and helpful with both information and around the chalet in general. The meals and especially the afternoon cakes etc. were great consistently! Thanks for an amazing week!!

Natalie Beatton - February, 2022

Miri and Zack have been fantastic, excellent service and friendly rapport. The kids loved them! Miri's cooking was exceptional, such tasty dishes delivered with grace and apparent ease, and her cakes were a real treat. The homemade quality and taste but such variety. Particularly appreciated the red velvet cake on Valentine's Day, a favourite requested by the children and beautifully delivered! Cami the Caterpillar will always be remembered too. Zack couldn't have been more helpful! His local knowledge and experience was so useful. Nothing was ever too much trouble, a real asset to your team. He was also great with the kids, excellent sense of humour. Both were so good at fitting in with our family feel, joining chat and fun when appropriate, and very easy to have around. Thank you both. Dainora, Matt and Finnton were also very friendly, living up to the Ski Basics general impression of good service and easiness. Overall, wouldn't hesitate to recommend Ski Basics and may well be back! Thank you all.

Ugne is a fantastic cook! We truly enjoyed our stay and hope to book again with you next year. Tilly is brilliant and communicated in a professional and efficient manner. Amelia gave us some great tips about the heated Legends chairlift and some of her favourite runs! Thank you again and have a great end to the season.

Jessica Wong - February, 2022

Chalet host was excellent and learning on the job, congratulations and well done. The help with the chalet host was good. The minibus team were excellent and went above and beyond, a pleasure to have them look after us. The manager as ever was excellent aware of what was going on but not pushing the rest of the team, managed them very well. Thank you all for an excellent week. Should also thank the owners and back room staff for their support and ensuring the trip actually went ahead, a near thing.

John Hughes - January, 2022

Having experienced chalet board in the 3 Valleys before with other providers and thinking that was what excellence was, it's fair to say I was wrong. The service from Ski Basics has been second to none and our time in Chalet Victoire was exceptional from start to finish. Chef Miri produced fantastic meals which exceeded expectations at every sitting whilst supported by Zac to make sure our stay was perfect. Both have conducted themselves in a manner which Ski Basics should be proud of, nothing was a problem at all to this professional and courteous team. Chalet Victoire is a beautiful property and perfectly located close to the golf lift in Meribel Village. The plentiful selection of drinks were all of a good standard and we genuinely wanted for nothing. It's with a heavy heart that my family will say goodbye to our hosts, the Chalet , the Ski Basics team and the 3 Valleys. Best time ever - thank you Ski Basics we will be back!

Kevin McGill - January, 2022

An amazing group of people that work together in so many different ways to ensure everything and every detail is catered for.

William Pitt - January, 2022

All staff were extremely friendly and helpful. Katie and Charlie provided an excellent service which was over and above what was expected. They seemed to be one step ahead and anticipated our needs so we rarely had to ask for anything. The food was also excellent and well presented. We would not hesitate to return to Chalet Chamois. Our grateful thanks to all.

Another year with Ski Basics and another great holiday. All booked for next year and looking forward to it already. The hosts this year were exceptional. You can really tell that Ski Basics has a strong culture amongst its staff and that it tries very hard to find the right people who uphold its culture and brand. Not an easy job. Well done.

Jonathan Simms - April, 2019

Another unbelievable week in Meribel with the Ski Basics. We've used them for 5 or 6 years now and they just can't be beaten on service or price. We've looked elsewhere but as Sinead once said, "Nothing compares to you."

Richard Henry - March, 2019

3rd year with ski basics and never disappoints. Always lovely chalets and excellent food and service.

Tom Oxley - March, 2019

Josh and Camila have been absolutely amazing in helping us with everything during our stay. I have high expectation after meeting George and Sophie last year and Josh and Camila have definitely met that expectation if not exceed it! They provided us with a lot of flexibility which is the key aspect I value the most during holiday. Everything else including food, services and hospitality are top notch too. Sophie has again done an excellent job, this year as Manager. Another year of happy skiing and relaxing with Ski Basics. Thank you very much!

John Yip - March, 2019

A lovely chalet, and our host cooked incredibly well. Really impressed by the flexibility and friendliness of all the Ski Basics staff.

Michael Peach - March, 2019

Fabulous holiday, accommodation fantastic, staff friendly and helpful. Would highly recommend.

This was my first time having a fully catered chalet. It was a truly special experience I'll never forget. Once again Bella really made our holiday a stand out. Best holiday I've ever been on. See you again soon.

Peter Meharry - March 4, 2018

We love. love, love our ski trip and since using Ski Basics, it's gotten even more enjoyable. Would highly recommend you to anyone considering a catered ski holiday.

Helen Scarisbrick - March 4, 2018

Our hosts were amazing. Friendly, knowledgeable about the area and made us feel so welcome. The food was the best food I have ever had on a catered holiday and the presentation of the meals and cake was outstanding everyday. I can not speak highly enough of our chalet host they were fantastic. Nothing was too much effort and it was nice to see a smiling face every night to share our skiing adventures with.

Jessica Green - March 4, 2018

This is the third time of holidaying with Ski Basics. I think the overall experience is fabulous. The accommodation is great, very comfortable and kept to an exceptionally high standard. The one thing that sets your company apart is your staff. From the moment Alex came to greet us staggering up the path with our cases after our delayed flight, I knew we were in for a fabulous week.

Claire Bennett - March 4, 2018

Communication from start to finish was fantastic. Everyone we dealt with was friendly and helpful with a good knowledge of the area. Thank you also for the amazing birthday cake and anniversary gifts. We can't wait to come again one day!

Charlotte Sherriff - February 18, 2018

Ski Basics never disappoints. The whole experience from the minute you place a chalet on hold through to arriving in resort is simple and seamless with fantastic friendly back office support. And when you arrive in resort the Ski Basics team goes above and beyond to ensure everyone has an amazing holiday - from the comfort of the chalet, fabulous food and wine, and amazing staff. Thanks for another great holiday. I think this was our seventh consecutive year with Ski Basics and we've just booked for 2019.

Ski Basics was amazing value for money. Thanks for an amazing holiday, one week on and we are all still talking about it and definitely have a case of the post-holiday blues!

James Legge - February 4, 2018

Nothing about the experience can be attributed to being remotely “Basics”. This was the first time I have done a catered ski break, thinking it would be far too cost prohibitive, or a bit slapdash to enjoy properly. Ski Basics provide a superb example of exactly why you should consider a catered ski break; with or without kids; the attention to detail was excellent in every aspect, and I will certainly be booking again. Thank you.

James Tossell - February 4, 2018

Would highly recommend Ski Basics and will be shouting from the roof tops how amazing our hosts were! Chalet in a great location. Drivers friendly flexible and oh so helpful. Just perfect really - what a fabulous bunch of staff you have, a real credit to your organisation. Well done! Happy staff equals happy customers... Your staff are so well looked after and that reflects and is felt by your customers. Keep up the good work!

Jacqueline Wilkea - January 28, 2018

This is the first time I have been on a catered ski holiday. I cannot speak highly of your company. As you can see from my comments I have been impressed with the service from booking to the time spent in the chalet and the services of drivers etc. I shall definitely recommend you to others.

Lesley Forrest - January 7, 2018

Really great holiday and Ski Basics made everything so easy. Easily the best ski/chalet company we have used. Most chalets already booked up for next year so please please get some more so we can use you again next season!

Kathryn Tesch - March 18, 2017

Another fabulous holiday you've really spoiled us and we had the most amazing time. Sam, Scott and Sara are brilliant at what they do and are a real asset to your business! We would love to see them all next year. Thank you for another fab holiday!

Natasha Douglas - March 18, 2017

This was my 13th ski trip and I can safely say that this was the best one I've been on, thanks to all the team for a week to remember.

Alex Moffatt - March 11, 2017

Thank you for another wonderful Ski Basics experience. This was my 3rd time and have already booked a 4th. Great work team!

Sam Keenes - March 11, 2017

Before we came out for my second Ski Basics trip, I had already been in touch with them and have booked for next year. Trying our 3rd chalet. My aim is to stay in every Ski Basics chalet in Meribel! I have never been disappointed with Ski Basics and all members of my group have been extremely happy with their holiday.

Kirsty Keenes - March 11, 2017

I would have no hesitation in using Ski Basics again. I'm already recommending it to my friends. Everything about it was first class. My experiences with Cheryl in the UK office were phenomenal customer service, nothing was a problem. I'm involved in the recruitment business and I was thinking to my myself how you've done an incredible job hiring such great people when I can appreciate it isn't easy, but your staff make Ski Basics the superb product that it is. You need to change your brand, it's Ski Luxury!

Stephen Flannagan - March 4, 2017

I've been skiing for 15 years and I think this was the best holiday yet! The combination of great snow, sunshine and a good fun group were important factors. But Chalet Bouquetin and our fabulous hosts, Joe & Kath, made it just superb. Definitely recommending it to our friends and hope to be back next year!

That was our 5th time using Ski Basics and we can't fault the level of service, standard of chalets and value for money. We have tried in the past to go self-catering and I truly believe that when all is factored in, it works out more expensive than using the Ski Basics catered package - this is one of the reasons we return to Ski Basics when we come to the 3 valleys.

Andrew Trott - February 25, 2017

Was so impressed with all the staff across the board from the high standard of the meals (adult and kids) to mini bus service to ski route planning night before to home delivery of beer... the list goes on.

Suzanne Mcilduff - February 11, 2017

Outstanding, as I've said about 4 times before! The location of the chalet was excellent, just 2 minutes from the lift and all the staff were excellent and really helped our group have a great holiday. Nothing seemed too much hassle for anyone.

Thomas Reid - January 28, 2017

The level of service provided by Ski Basics from the booking process to the holiday itself has been second to none; the ease and friendliness of the service and attention to detail made our time in Meribel a really great experience. Thank you.

Ski basics service is excellent but beyond that everyone goes that extra mile, in every aspect, to make sure we can all relax and have that holiday we very much needed.

Colin Woodley - April 2, 2016

I have been most impressed with Ski Basics from start to finish. Organising a family party of twelve plus a baby, travelling by three different routes was not simple - everyone's needs were different. However, Cheryl in the UK office tackled all requests and alterations in her stride, with friendliness and a "nothing is too much trouble" attitude. I can't imagine better chalet hosts - Davina and Rebecca made a great team and again, nothing was too much trouble. The chalet was delightful - spacious, quirky, and overall, well furnished. Walking into town was easy and took approximately 10 minutes, but the personal minibus service to and from the slopes was brilliant.

Already booking same chalet for next year! We had such a great time and loved the ease and location of Chalet Victoire. Our hosts were lovely and the chalet is gorgeous. Being able to book our own flights and transfer meant the whole holiday worked like clockwork. Meribel Village is an absolute delight. See you next year.

Beth Wakefield - March 26, 2016

Brilliant from start to finish. I will be recommending Ski Basics without doubt.

Edward Abbott - March 5, 2016

What encourages me about Ski Basics is that they are always keen to find anyway they can improve the holiday. Whether that is efficiently sorting out lifts in the morning, advice on what to do whilst there or finding more convenient ways to book ski's and transfers. I really enjoyed the holiday. The staff were amazing, the food was unreal, the weather and skiing conditions were absolutely perfect (cheers for sorting that out).

Peter Nichols - March 5, 2016

The best catered experience I've had in years.

Kit Blatt - March 5, 2016

The Ski Basics team were excellent. Communication was great - from Cheryl in the Bath office, to Nicky the chalet manager and all the team in the chalet - nothing was too much trouble. Some of our comments from last year had been acted on - better Wi-Fi / additional seating. All in all, we had a great time.

Wendy Hughes - March 5, 2016

Website is so easy to use, the pictures of the Chalets are accurate and our Chalet hosts were the best I have ever had, could not say enough about how great they were. Would definitely use Ski Basics again and would recommend your company to anyone.

Basic is in the name but certainly not by nature. It felt, first class from start to finish. What a great operation staffed by very competent and friendly people.

Martin Coyle - February 27, 2016

Would you please pass our thanks to Dave, Jo (and Gemma) for helping to make an outstanding holiday. I understand you do the selection of staff yourselves, and in 4 years of holidaying with you I have yet to meet one of your staff who's anything other than a credit to your organisation. The quality of staff is what makes or breaks a holiday like this, and you're clearly getting it right, so thank you.

Charlie Barwick - February 27, 2016

Put simply, I would just like to thank every single member of the Ski Basics team that helped with our holiday. It's one of the most professional services that I've ever come across from start to finish and I'm highly impressed all around. I've been recommending the firm highly to many people, although not too many people as I don't want them to book all the chalets up so I cannot go. All aspects of the booking were crystal clear, and there was so much information up front that pretty much every single one of my questions was answered without any digging at all. I'll certainly be booking with Ski Basics again, and the sooner the better in my eyes. I had two trips with them this year, and I would certainly do the same again next year.

Ben Hicks - February 20, 2016

We keep coming back to Meribel simply because of Ski Basics!! The chalets are lovely but it's the people who really make the difference. Easily contactable, extremely helpful and all round excellent service. Brilliant holiday and would highly recommend ski basics to anyone!

Ski Basics' guest - January 30, 2016

We love Meribel and the range of skiing that it provides. It caters for the range of skiiers amongst us and gives us all the flexibility and choice to explore and ski in the different valleys. Ski Basics has provided us with an excellent chalet that was a perfect base for the week's activities. Chloe and Rowan made us feel very comfortable and welcome - part of 'their' family. We couldn't have wished for a better experience. Thank you so much!

Linda Bryne - January 23, 2016

I cannot speak highly enough of the holiday and service provided by ski basics. The name really undersells the products and service that you get. I would definitely book ski basics again in the future. Price, chalet and hosts are great and has left me with a serious case of holiday blues!

Susan Bell - January 9, 2016

The best ski trip I have ever been on!

Ski Basics provide an unbeatable service for the price which Is why I have been for the last three consecutive years and plan to keep visiting for many more years! As organizer I know that I can completely rely on the service being beyond helpful and friendly and the quality of food great. Thank you all for another wonderful year holidaying with you!

Francesca Hall - January 9, 2016

Absolutely loved it and would definitely return to Meribel and stay with Ski Basics. Many thanks for a superb holiday!

Hannah Innes - January 2, 2016

As ever, we have once again really enjoyed our holiday. People ask us why we always go back to the same place and the same company. You make it difficult to go elsewhere.

Patricia McKellar - December 12, 2015

Fantastic holiday, would definitely come again. Thankyou for making my first ski holiday wonderful!
