

Ski Basics

“ Some of our previous testimonials ”

Can't wait for next year! Will definitely book with Ski Basics they are fantastic value for money and excellent all round from the website to the chalet to the staff in UK and in resort.

There is nothing 'basic' about Ski Basics, the whole chalet experience was luxurious. Top class service from the moment of booking to leaving the chalet. This is our third stay with Ski Basics and we will definitely be planning a fourth.

Our first ski holiday and we feel we did it in style. The people we skied with have skied before and they have said it was the best ski holiday they have ever had. We would certainly do it in this way again. The catered chalet makes everything so easy and the additional extras provided by the 'plus' service made the holiday for us. Many thanks.

Thanks very much for what was a great week. All of your team was, as ever, excellent, and those of our group who had not been with Ski Basics before were all very complimentary of the service – especially the convenience of the minibus shuttles, the “can do” attitude of the chalet staff and quality of the food. It all made for a fantastic week and belated birthday celebration, especially as we got lucky given all the new snow and decent weather.

James Greenland - January 31, 2015

Everything went really well, from the moment we arrived everything dropped into place, all the Ski Basics staff we had any dealings with were really accommodating and looked after us really well. We would recommend Ski Basics and hope to use you again.

David Longbottom - February 28, 2015

We had a fantastic time! We are a large group that have skied together for many years and I think that overall we were looked after better here, than anywhere else we have been. Nothing was too much trouble for our chalet hosts, cook or drivers - always very helpful and with a cheerful smile.

Wonderful chalet company whose staff go above and beyond to make your trip as stress free as possible. The best value for money in the Alps!!

April Campbell-Maxwell - January 24, 2015

Find it very difficult to criticise anything about my holiday. It was very relaxing and enjoyable, made even better by the very friendly and helpful Ski Basics staff.

Diane Spurr - January 3, 2015

Can I take this opportunity to say thanks for all your help on both trips to Meribel? You have personally been very helpful and responsive and I have been very impressed with my overall experience of Ski Basics. Keep it going! The ski industry benefits enormously from the service you offer.

Wonderful! Best chalet food we've had. We loved the Plus+ service and would definitely go for that again. The 'Beko Bar' (the drink fridge!) was a highlight of our holiday - the champagne was especially appreciated by the ladies in the group. One of the reasons we'd use Ski Basics again!

Helen Forrest - March 15, 2014

Thoroughly enjoyable - beautiful chalet, friendly staff across the board and loved how we felt at home whilst being treated like very important guests! Will be recommending to others in a heartbeat! Thank you!

Tamsin Vincent - March 22, 2014

I have now been with Ski Basics 4 times and the quality improves every year. All of the staff were faultless, very friendly and made us feel 100% at home and is if they would happily go out of their way to help us at any point. I will never stay with another chalet company in Meribel.

Chris Brown - March 22, 2014

Without doubt, an excellent holiday from start to finish. The chalet more than met our expectations and the hosts were brilliant. I have already recommended Ski Basics to colleagues.

Josh Myerson - February 22, 2014

The hostesses and drivers went above and beyond to make our holiday the best we have ever had! I would definitely recommend for others to stay in this chalet - great location too!

Laura Hardy - April 12, 2014

The chalet worked very well for the 2 families, the transport was great, the staff excellent. We used lockers at the bottom of the Saulire lift which made our holiday so much easier given that we had 7 children with us.

Irene Wilde - March 16, 2013

Another wonderful holiday, all over too quickly, it just flew by. Great chalet, food, location, snow and Ski Basics people. Charlotte and Matt were really lovely with us. Thank you again for a FAB time.

Isabel Gettings - December 22, 2013

The standard of the food was very high and catered for. I loved the way Adam described our menu to us each evening before dinner, it just made my mouth water in anticipation. Nicky was always on hand with a cold glass of wine as soon as we appeared for dinner and the canapés were delicious.

Clare Bird - February 23, 2013

The staff were simply the best chalet staff I have ever encountered. They made a real effort, got to know us, made excellent food every time and were generally a joy to be around. They (and Nat their manager) really made this holiday. You might be called Ski Basics, but there was nothing basic about their service.

Suresh Ellawala - February 23, 2013

The company seems to offer a good standard of all aspects of service and solid affiliations with other local companies. It was very helpful to have the drivers to help ferry us all back at the end of a long day, especially when the kids were tired and hungry after ski school.

Danielle Burke - February 2, 2013

We were all very impressed with the service in its entirety. The minibus lift service was a pleasant and very useful surprise. We would all definitely use Ski Basics again and hope to next year.

Laura McGee - February 9, 2013

Fantastic holiday. The service provided from booking to collection to ski hire, chalet and all the staff was so easy and made what can be a complicated holiday stress free and fun. Our chalet and host made us feel right at home and the food was excellent.

Jane Broomfield - March 2, 2013

Had a great time, whole process was made very easy by Ski Basics and our chalet hosts. Food was brilliant and chalet was lovely. We would definitely use Ski Basics again for our next trip, great value for money.

Pheobe Horrocks - March 2, 2013

A fantastic company who deserve only the highest commendation. At every opportunity every individual went out of their way to make every aspect of our holiday easier. Could not believe to what degree you went the extra mile. There is certainly nothing basic about the level of professionalism and organisation you demonstrate - a credit to each and every one of you.

Aimee Bennett - February 2, 2013

This was our first time using Ski Basics and we were all very impressed. The chalet hosts Ashley and Tarn were fantastic and made us all feel so welcome and their catering skills were fabulous. We all loved the transport facility to and from the ski- slopes - something we have not experienced before but would certainly look for that again on our next skiing holiday.

Philip Pinto - January 12, 2013

It was the best ski holiday ever- thank you so much to all the team in Meribel and also Vicky who was always so quick to respond to any query. You are all wonderful. We shall be back soon!

Sian Thomas - February 16, 2013

The best ski holiday ever. Hosts, drivers, chalet manager were excellent and could not do enough for you. The little touches such as booking our meal out, driving us there, taking our skis back, being so positive and helpful made the holiday. I will book again next year if knees still in one piece.
