Booking and arrival

How do you arrange your private transfer?

Contact Ski Basics with your arrival and departure dates; airport or railway station; flight numbers or train details, including times; and total passengers, including children and infants. Tell us the ages of any children, child seat requirements, ski equipment and additional luggage.

Who should you contact?

Email info@skibasics.co.uk or call +44 1225 614668. We will provide the available transfer options and confirm the cost before arranging your booking.

What should you confirm before booking?

Ask our team to confirm the total fare, vehicle allocation, luggage and child seats, plus payment, cancellation and flight or train delay arrangements. These terms are not specified in the published price guide.

What time can you arrive at your chalet?

Please do not arrive at the chalet before midday. Bedrooms are normally ready from 4 pm. If you arrive earlier, contact us in advance so we can arrange to meet you in Méribel and take care of your luggage.

Can we collect you from the bus stop?

If your shared transfer or bus stops in central Méribel, tell us your arrival details in advance so we can arrange collection to your chalet.

Are you arriving by train?

Moûtiers-Salins-Brides-les-Bains is the nearest railway station, approximately 18 km from Méribel. The onward road journey usually takes 25-30 minutes, depending on traffic, weather and your chalet's location. Ski Basics can arrange a private transfer; scheduled buses are another option. Check rail journeys at sncf-connect.com.

Planning your journey

Would you like a shared or private transfer?

Private transfers arranged by Ski Basics are exclusively for your group and take you directly to your chalet. For groups of five or more, compare the private fare with the total price of individual shared tickets. Shared services may suit individuals, couples and smaller groups, but operate to scheduled times and can involve waiting or additional stops.

Where can you book shared transfers and buses?

Check Ben's Bus (bensbus.co.uk) for seasonal Geneva airport services and Altibus (altibus.com) for airport and regional bus options, including onward travel from Moûtiers. Check your dates, departure times, stops, luggage allowance, child seats and cancellation terms before booking. For other independently booked options, see our transfers webpage.

Which airport and travel day will suit you best?

Compare the combined flight and transfer cost. Ski Basics' changeover day is Sunday. Check shared-service schedules carefully for other days and very early or late flights. Book early for Christmas, New Year, February half-term and Easter.

How much time should you allow for your return journey?

Winter weather and road traffic can affect journey times, especially on busy changeover weekends. Allow extra time for your return transfer; our team can advise on suitable departure arrangements.

Hiring a car?

Before travelling, check with your hire company that your vehicle has winter tyres and snow chains.
